

ALUMNI FEEDBACK REPORT YEAR 2019-2020

Nearly 400 alumni have provided feedback for the academic year 2019-2020. We appreciate all of our students, both present and former. Alumni are asked to provide their review concerning academic facilities and support, university infrastructure, skill and personality development approach, and activities to make students industry-ready, since the university recognises their role in institution growth. Alumni feedback helps the institute to examine how its service offering is perceived by one of its most significant stakeholders, alumni, in order to enhance its processes, policies, facilities, and curriculum.

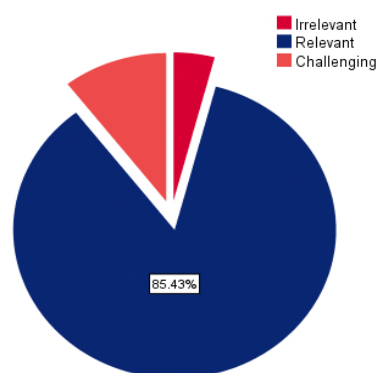

The IQAC takes feedback from the alumni of university every year on following parameters

- 1) Curriculum/ Syllabus Relevancy & Standards
- 2) Infrastructure of University
- 3) Skill & Personality Development
- 4) Industry Specific Training & Placement Standards
- 5) Institutional Relationship with Alumni/ Alumni Interactions
