Microsoft Teams

The University Institute of Legal Studies uses Microsoft Teams software for teaching, learning, instruction and holding online classes. It is also used for submission of projects, the conduct of online meetings, moots, elimination rounds of moots, conferences, seminars, workshops and extracurricular activities. Access to this facility has been made to all teachers and 1800 students of B.A./B.Com. LL.B. (Hons.), LL.M. 1-Year and LL.M. 2- year students.

Mastersoft CIMS

The facility of the Mastersoft CIMS an ERP has also been made available to the faculty members as well as students of UILS for the conduct of Mid Semester Tests, preparation of results, submission of projects, assignments etc..

Online Library Resources

Every year, library materials are supplemented and enhanced to provide the most up-to-date information on advancements in all areas of law and social sciences, which is available to all University students and faculty. The availability of these resources can be checked by the members of the university, offline and also online through the OPAC system. Also, the library has the latest versions of the Islim library management software based on cloud computing. It

enables easy access to the library resources 24*7. Furthermore, reputed journals are subscribed to and efforts are persistently made to make available all the sources and databases in the print and electronic form, so as to strengthen the research capabilities, across all fields of specialization.

During COVID -19 pandemic, the UILS library started a Remote access facility (IProx) for all its users. Electronic books and databases were purchased like Lexis-Nexis, AirOnline, Oxford E-Books and Thomas Preview etc. and the same has been accessed by the user from their home also.

Remote access of SCC online, Manupatra has also been made available to the students.

Service Support

- Service support: Due to long staying Covid, Training & support is online only.
- Communication: MasterSoft will send all important communication via email to College registered email with MasterSoft. College authorities & staff needs to check the mail regularly & act upon the same. Post / Courier - Hardcopy communication will not be sent.
- Data Entry : Is to be done by Staff & students of college. Student details are to be filled by students thru their login. Staff can verify the same & freeze. College can provide Computer Lab to students. This will reduce non teaching staff data entry Burdon.
- Old Software : You may be using some software for MIS work. The design, flow & facilities of MasterSoft CCMS ERP are different than any other software. Your staff may require some time to get habitual to new ERP. Under no circumstances, our Cloud ERP can be modified as per your old software. Slowly, your staff will appreciate new ERP facilities & ease of convenience.
- Job of MasterSoft is training & support to Users. No Data entry work will be done by us.
- All Application & data will be hosted on company servers.
- After proper training, it is sole responsibility of Institute to use the ERP. We shall extend necessary service support.
- Upgrades / Changes : Normally changes / new requirements are not accepted in Cloud CCMS. However, rarely, most justified changes may be accepted by us. ERP code is updated normally on second & forth Saturday. So accepted changes may be available in minimum 4 weeks from date of acceptance by us. However during admission seasons, Users are continuously on-line & System is not available 24 x 7 for many days - for upgrades & upgrades may get delayed in such situation.
- Since this will be a Cloud ERP involving multiple agencies such as Payment gateway company, your Banks, Cloud Company, SMS Gateway, e-mail gateway.....; there can be initial challenges to all the Users & Students. With our experience, we shall attend the same & give appropriate solution to each issue. After few days, Users & student will understand the advantages of Cloud ERP.

Payment Gateway

- Due to ease of integration & fast-proper service, MasterSoft recommends TracknPay PG. For Online fees collection, necessary formalities / agreement needs to be signed by Institute with the PG company. MasterSoft Have no role in this Agreement.
- In online payment, the fees paid by student is collected by PG company and is directly Transferred to your college Bank accounts – normally in 48 hours – T + 2 – as per RBI norms. MasterSoft only gets details of Transactions. All quarries / delays shall be immediately addressed to PG Company via e-mail followed by phone call. IF PG is sending mail to college, immediate reply / solution to their problems - is sole responsibility of College. If College do not reply / solve; Payment in your Bank account may get delayed.
- MasterSoft have no role & responsibility in solving the transaction related queries. College must Check (reconcile) that correct amount is deposited in College Bank account in maximum two days
